Subject: **Job Offer Letter for MERN Stack Developer**

Dear Pankaj

We are pleased to offer you the position of **MERN Stack Developer** at **NCA IT Solutions**, effective **from 16th February 2025**. You will be a full-time employee and part of our development team, contributing to the design, development, and maintenance of web applications using the **MERN technology stack (MongoDB, Express.js, React.js, Node.js)**.

Employment Details:

- **Position:** MERN Stack Developer
- **Start Date:** 16/02/2025
- **Location:** Office No. 705A . Iconic Corenthum Tower Floor 07 Noida 62
- **Working Hours:** 10:00 AM – 6:00 PM, Monday to Friday
- **Reporting To:** Ritesh

Roles & Responsibilities:

- Develop and maintain full-stack web applications using the MERN stack.
- Collaborate with the team for code reviews and development tasks.
- Write clean, scalable, and well-documented code.
- Participate in daily stand-ups, code sprints, and project discussions.

Terms & Conditions:

- This position is full-time role with compensation details and other employment terms to be communicated in a separate appointment letter.
- You are required to adhere to company policies, maintain confidentiality, and demonstrate professional conduct at all times.
- Performance will be regularly reviewed to align with company growth and project needs.

Please confirm your acceptance of this offer by replying to this email or signing and returning a copy of this letter by **Acceptance Deadline, 16/02/2025**

We look forward to welcoming you to our team and wish you success in your career with
NCA IT Solutions.

Warm regards,
Komal Garg
HR Manager
